Polycom Teaching Excellence Awards
Congratulations to our Year 5/6 Team and to the staff and students of Werrimull P-12 College for their success in the Polycom Teaching Excellence Awards. This semester staff and students have been conducting Literature Circles using the Polycom distance education equipment. This has involved students at both schools reading and discussing their books online using telematics equipment. This technique enables classes to be conducted in one place and delivered at many others. It is great to see the work of our innovative staff being recognised.

Primary Concert
Our Primary Concert was a great success as usual last night. An evening such as this does not just happen, it takes many hours of hard work by staff, students and volunteers all capably organized by Mrs Shelley Woodall. I would especially like to thank Mr Heath Comrie for stepping up as the Vice President of School Council to officiate over the evening.

Presentation Evening
Just a reminder that the Years 6-12 Presentation Evening will take place next Tuesday, December 18th at 8pm. Students are asked to wear full school uniform including school shoes. Everyone is welcome to come along and celebrate the successes of our students and school in 2012.

End Of Year
….And so as we near the end of the 2012 school year and, as this is our last official newsletter for the year I would like to thank everyone – students, staff, parents and volunteers who have contributed in any way to our school over the past twelve months. I would especially like to thank the ladies from St Vincent de Paul for introducing and organising the Breakfast Club this year; it was much appreciated by many of our children. We have a number of staff leaving us this year – Mrs Wakefield is retiring after many years of service to our school, Mrs Deb Vallance is also retiring, while Miss Anita Carey, Miss Candice Sanders and Mrs Michelle Fisher are moving on elsewhere with their careers. I wish these staff all the best for the future and thank them for their contributions to our school.
Everyone will now take a well-earned break over the Christmas and holiday period and school will resume for students on Thursday January 31st.

Merry Christmas Everyone! Leanne Dawes Principal

CONGRATULATIONS to the fourteen students who took part in the Active After School Leaders training course on Monday and Tuesday. The students went through a range of topics to develop the skills to conduct activity sessions for primary aged students after school. The training concluded with the Year 3 & 4 students being put through a range of activities that were planned by the future leaders. The school and students look forward to working with these students next year in the Active After School Program.

A HUGE thank you to the leaders of 2012 who have provided a range of exciting and entertaining sessions during the year. They are to be congratulated on their planning, preparation and enthusiasm. Best of luck to these students as they move into Year 12.

Keep watching the newsletter for details on the activities and starting times for the program early in 2013.

As the year concludes, I would like to take the opportunity to thank all staff, parents and students for their contributions to the junior campus sporting program. There are many jobs that are required to make the sports program operate successfully and many people have worked hard behind the scenes to ensure these opportunities are available for the students.

I would like to especially thank the following people for their contribution in 2013.

* Mrs Roxanne Simmonds for many hours of hard work organising certificates, recording results, sending letters, collecting forms and money
* Mr Geoff Amos for presenting the school grounds in excellent condition for sporting carnivals
* Mr Riley O’Connor who has been starter at swimming sports and athletic carnivals for many, many years. 2012 was Riley’s last year; the school will miss his expertise
* Mrs Patching for her excellent coordination of the sports report each week
* Mrs Fiona Scott, Mrs Bree Scott & Mr Phil Down for their photography over the year and their generosity in sharing the photos they have taken
* Secondary campus students who have assisted at carnivals with umpiring duties
* To the parents who have assisted with setting up and packing up equipment at sporting carnivals
* Miss Burns, Mr Stoetzer & Mrs Mole for their assistance with organisation of events
* Mrs Leanne Dawes for her support of the junior campus sporting program
* House and vice captains who have assisted with the selection of teams for carnivals

I hope everyone has a Merry Christmas and comes back refreshed in 2013.

Meeting: We had a good gathering for a final meeting for the year. Thanks to all who have assisted Parents’ Association throughout the year - especially those who don’t have children at the school, and those who are children. The support we get from people other than parents is most encouraging.

From the meeting: funding for the Mathletics program Prep – 6 approved; $50 donation to the State Schools Relief Committee (has a 42% increase on demand for help for students over the past three years); we will continue to lobby for pedestrian walkway at the roundabout at Cooper and Oke Sts.; we are on board with the Victorian Prevention and Health promotion Achievement Plan with the 2013 focus on Sunsmart at primary level and mental health and wellbeing at secondary level; we are purchasing an Anaphylaxis Education Kit for the school; we have one large catering job booked in for April, 2013; Mrs. Dawes updated us on all sorts of things around school operations – staffing, demolition, building, curriculum changes, playground possibilities – do you have suggestion?, swimming – now and February [remember rashies as part of Sunsmart rules]. Ultranet pilot for reports on-line, among others;

NAPLAN tests – the school has a balanced view and makes the tests as stress free as possible, and doesn’t teach to the tests, also use on-demand tests each term to keep track at wider level; Reading Recovery tutor funding cuts – we are right for staff at the moment; we have VCAL covered, too.

Mrs. Dawes thanked PA for work and support over the year, noting the positive relationships our school organisations have.

Kinship Carers: Established through DHS funding, it is a peak body for kinship carers of children e.g. grandparents, aunts, uncles, cousins, siblings who have the care of children. The organisation’s aim is to have kinship careers in Victoria supported in their role according to their needs and the needs of the children they care for, and appreciated by the community for their contribution to their families and the community as a whole. It is a not for profit organisation that teams with Grandparents Victoria to raise issues on behalf of families, particularly families in need. Both organisations are represented on decision making forums nationally and at state level. For more information contact Kinship Carers Victoria, 14 Youlden St, Kensington 3031, director@grandparents.com.au or phone 9372 2422.

End of Year – We farewell a number of families from Ouyen P- 12 College – thank you for your generous support and assistance over your time with the school. Please remember, you’re welcome to stay involved! Congratulations to all students on their good efforts this year – we have a pretty good school where improvement and innovation are always on the agenda and being planned then implemented. Hopefully, students will be pleased with the personal progress they have made throughout the year.

Particularly, we say “Well Done” to those who will receive Parents’ Association awards. Although not known yet – there are four Secondary students with 100% attendance – an amazing feat, and some who missed 0.5/ day; and 7 Primary students who have shown significant progress in the personal growth fields covered by “You Can Do It”. Best wishes to our Year 12s and 11s who have completed their schooling and now move on to different experiences. Thanks for your contributions to the school’s life.

Farewell, and thank you, to the staff who are moving on – either to new schools or retirement – enjoy your new environment.

Prep for Parents – is a weekly email subscription for parents with children in Prep. It covers topics parents have said they want to know about: what children are learning in Prep; how to help your child with maths; and much more. Regularly during school terms, a new edition arrives in your email box. Each article has helpful tips and links to websites and other information. Subscription is easy. Go to www.education.vic.gov.au/prepforparents

More than this, come to the school’s information sessions for all year levels, and keep in touch with staff.

Congratulations - to those students who have been awarded scholarships to further their education.

Sheep Sale – Michelle has the start of 2013 Sheep Sale roster organised. Please take note to check if you’re on it. Make swaps if you need to. Thanks everyone for your help with this effort.

Thanks for another fine year – we raised around $13,000 and gave around $14,000 to various school projects – this can’t be done without your valuable contributions of time, skills, goods and cash.

Have a wonderful and safe holiday time.
