VCAL Fundraiser:
For the past three Thursdays, Braidan Pohlner and myself have been involved in a cooking fundraiser that is held at recess for the secondary campus. We have been cooking donuts, cake pops, popcorn, hedgehog, muffins and cheese-cake and we also held a free dress gold coin donation day. It has all been very successful and we have made a lot of profit. The money raised will be put towards a worthy cause.

We would like to thank all the teachers and students for helping out with the fundraiser, we really appreciate all of the support given to us.

A special thanks goes to Narrelle Bramfit for her kind supply of yummy cheese-cake ingredients.

We have raised $725.10

ARTS EXCURSION
In consideration of the Big Move at the end of the school year, it has been decided to forgo the trip to Bach’s Christmas Oratorio, via the Bendigo Art Gallery, as brilliant as it would be. Now you know it’s on, if you are still keen to go without a school excursion – contact the Arts Centre to book your ticket! Sorry to disappoint those who were so quick to respond. Next year, hopefully!

SUPER 8 CRICKET STATE FINAL-ISTS

On November 18th, nine Year 7 & 8 girls, 10 Year 8 boys & 8 Year 7 Boys travelled to Ballarat with Kate O’Connor, Mr. Stoetzer, Alan Vallance and Mrs Lonergan in preparation for the Western State Cricket Finals at Melton the next day. The weather dawned perfect for cricket, although the wind did cause some havoc with the plastic stumps later in the day. The group travelled to Melton ready for a big day of Cricket.

Both boys teams and the girls team were to play three matches and after the results were calculated, there would be a final, with the winning team playing the Grand Final at the MCG.

The Year 8 Boys went into the first match keen and confident. They hit numerous 12’s and their bowling was accurate, taking many wickets to win by 118 runs against Portland. (O 231 d P 113)

The second match was more challenging against Bendigo South-East. Great partnership play and successful bowling saw the boys again achieve a win. (O 206 d BSE 190)

With two wins under their belt, the boys went into their last match against Bacchus Marsh determined to win as the Grand Final was in their sights. This match saw them face a more closely matched team. It was a nail biter in the last over with James needing to hit 10 off the last 3 balls. Two sixes and a dot ball resulted in a win by 2 runs. (O 200 d B 198)

With a high run average of 212, the boys had won their way into the Grand Final to decide who would go to play at the MCG. The boys were pumped and fielded successfully as a team, taking numerous wickets. Our batting however, was not as successful as in previous games as the opposition had some talented bowlers who made hitting the big scores difficult. The result was tight with the very disappointed boys narrowly losing by 2 runs.

THANK YOU TO ALL WHO HAVE CONTRIBUTED TO THE SPORT PROGRAM IN 2013.

MERRY CHRISTMAS TO ALL.

On arriving we were disappointed to find that the Year 7/8 girls were to play only 2 matches, having a bye during the last round of play. With Kate coaching, the girls approached the first match against Heathdale with some trepidation, but produced some great batting and fielding to win. (O 88 d H 68)

In their second match against Weeroona College, the girls played with more confidence and produced some excellent plays to achieve a win. (O 163 d W 108)

With two wins and a bye, the girls had to wait for the final round to be completed before they found out if their run average qualified them for the day’s grand final. Unfortunately, there were two schools ahead of us and we narrowly missed out on this opportunity.

With Mr Stoetzer in charge, the Year 7 Boys played their first match against a strong Monivae. Succumbing to some strong bowling, the loss of too many wickets saw the boys go down Monivae 184 defeating Ouyen 87.

The boys regrouped for their second match against Braemar. With improved bowling and batting the boys were able successful in taking numerous wickets and achieve a win. (O155 d B120)

In the last match against St Josephs, the boys were unfortunate to come across some big hitters and although they played well went down by 65. (StJ 204 d O 141)

All players are to be congratulated on their preparation for and demeanour during this event. I’m sure they all gained valuable experience and will be determined to reach the finals again next year.

Thanks to Kate O’Connor and Mr Stoetzer for their coaching and assistance throughout the trip. Also, thank you to Alan Vallance for driving us safely to and from this event.

Sue Sly
Careers Coordinator
While the end of the school year draws rapidly closer, so, too, does the completion of our school building renewal. Staff and students are met with constant changes and challenges to their daily routines. Enjoy following the signs that direct you around the Secondary Campus if you need to pay a visit, and remember that not everything will be easily accessible. During the Library clean out, a collection of old PA minute books etc was found. However, we have still been unable to locate our folders from the late 90s/early 2000s. If anyone has an inkling, please let us know.

**Best wishes:** to our students with all the busyness of this time – exams, cricket, HPV & Pushcarts, camp, Early Start, transition – and to staff and parents getting it all organised! Never a dull moment.

**Street Stall** – The Prep, 1 and 2 families (plus supporters) put in a superb effort for the Pool Blanket Street Stall last week. Their fantastic array of goodies, plus a competition, brought in well over $500. Thanks to Loronda and Melanie S. for co-ordinating it all, and to all the families that helped in whatever way – brilliant.

The **No-Bake** Stall has been slightly altered. If anyone is interested in popping a donation towards the pool blanket costs into an envelope labelled **Parents Association No-Bake Stall**, it will be gratefully received. [or use the school’s EFT arrangements] We are aiming for close to $1000-00 from the stall and no-bake stall. We will contribute $1000 towards the cost of the blanket.

**Catering:**
There is a number of unclaimed containers, trays, platters, and utensils in Parents Association’s care at the moment. All clearly named items were left at the schools, depending on where students attend. Please contact Raelene Vine [0407849174] if you’re still missing something from the day. Thanks to those who have contacted me. There was also a pair of eyeglasses – we left them at the Club.

**Sheep Sale** – The final Sheep Sale was held yesterday! Thanks to those who responded to the call to work, bake, or make sandwiches. Again, thanks to all involved over the year, especially Michelle and Kate for all their work in keeping the show on track. Remember to let us know if you cannot work on Sale day due to Thursday work commitments, or if you can work the kiosk when you’ve usually been listed as a cook. It helps us with the roster! Attached is a slip to assist you with getting back to us.

**Meeting:** Our final meeting for the year is scheduled to be a dinner meeting - 6:30p.m on December 9th. Please let Justine Cresp or Raelene Vine know if you intend to come along – messages can be sent via school, if that’s easier. Venue will be confirmed in next week’s newsletter.

**Justine Cresp – President, Raelene Vine – Secretary**

If you have any unwanted material scraps that you would be willing to donate for this activity, please drop it in at the Mobile Library on a Thursday by December 5th.

**Thank You in anticipation from the Mobile Library staff.**

To help Parents Association plan the sheep sale roster for next year, will you please indicate your preference, and either email, or send slip to either campus office for Michelle Morrish. No response will be treated as you being available for whatever we need to fill. All families are included. Thank you for your co-operation
