Meeting: We will meet next Monday, October 28th, 7:00p.m. at the Primary Campus. It will be the last time we will meet at that school. Parent meetings have been held at the school since 1911 with the well-being and development of the children always the priority. It would be wonderful to see more than a few parents/carers there, whether you’ve been before, or not.

We will be looking to the end of the year regarding recognition certificates, appreciation certificates, You Can Do It awards, and Attendance awards. We will also talk about ideas for farewelling the Primary Campus.

Parents are beginning to ask a lot of questions related to the move and how things will operate for both the children and themselves in the new environment. We are putting together a list of questions/queries/wonderings that families have about how “things” will operate at the Fuller St. campus. Please come and add your thoughts to the list so Mrs. Dawes and staff can prepare to cover as many bases as possible to ease us all into the new school set up. What ideas do you have for farewelling the old school? Let us know.

Congratulations: to Luke Coates and Demi Elliott on their fantastic efforts at the State Athletic titles this week – a credit to the work put in to realising potential by themselves, their families, the school program, and their supporters. Well done, too, to Mrs. Woodall and students for their performance at Patchewollock last Saturday.

CATERING:
Year 12 Luncheon – was successfully catered for by the Year 11 families on Wednesday. Thanks to all those families that provided all that was needed for a fine lunch. Particular thanks to Dianne Boseley and Des Healy for their time and skill in preparing the meal, and clearing away – much appreciated.
Best wishes to our year 12 students and staff over the final stages of this Year 12 journey.
Cash Donations: Many families find it more convenient to send cash donations towards purchase of food and accessories for catering tasks but from time to time, find the money remains in schoolbags. If you wish to – you may make the donation by EFT to the school but label it PA donation so Mrs. Stacey knows where to direct it.

Street Stall – We have been allocated November 14th for our Street Stall. This is to raise funds for Parents’ Association’s contribution to the new pool blanket. This will benefit students Foundation to Year 12 (and all pool users, hopefully). So as not to have too many goodies to sell by asking a Primary group and a secondary group to contribute food, it has been decided to give Prep, 1, 2 families the joy of cooking up a storm of delights. However, Years 3 – 11 need not feel left out. Year 9 and 10 families are next on the list for a turn – and so are invited to have a NO-Bake stall to help out. Envelopes for this will be given to Year 9/10 closer to the Street Stall date. Any other school family is welcome to contribute to this – either through the no-bake stall option or by contributing some produce to the stall (food, vegies, eggs, jams, flowers, craft etc.). Workers for the stall will be needed – contact Melanie Shaddock if you can help. Our target for this is $1,000-00.

Sheep Sale – we have one Sheep Sale to go. Thanks again to all involved!

What’s your child’s learning/study space like? – We got the lighting sorted last newsletter – now for the temperature. Research shows that the ideal temperature for a study environment is between 18°C - 21°C Celsius. Not hot and stuffy causing drowsiness, and not bleak causing the body to work hard on warming itself and taking concentration away from the focus of work.

Walk to School
November 2013

Are you ready to meet the challenge and “Walk to School” for the month of November? If you are then this is the activity for you to take part in and at the same time have the chance to win some great prizes along the way.

Commencing on Friday, November 1st, children will be able to go to the recording table inside the gate and record the distance they have covered on their way to school. The recording table will be manned from 8.45am by our enthusiastic grade 5/6 students.
To assist with the recording – distances will be allocated to certain streets.
For example – if you walk from Williams Street – the distance will be recorded as 1km.

If you walk home that night, you can record this distance the next day when you walk to school again.

Bus travellers haven’t been forgotten – there will be a walking course set up on the oval which they will be able to complete and then record their distance. Bike riders, you haven’t been forgotten either – you are able to record your distance.

If you would like to take part in this fun activity, please have your parents complete the attached form and return it to Roxanne or Pam in the office before or on the first day you walk.

The school with the highest participation in each region has the opportunity to win sporting equipment to the value of $1000. Children can also win great prizes for their families by entering weekly competitions on the Walk to School website and Facebook page.

So – ARE YOU UP FOR THE CHALLENGE???
Dust off those runners and start walking- make a group, bring your family of do it by yourself, but join in the fun.

I ___________________________ give permission for my child(ren) ___________________________

to participate in the “Walk to School” program commencing on Friday, November 1st.

I understand the children need to report to the table upon arrival at school and the distances walked have been set by the organising committee depending on the street students live in.
(These distances are on a chart outside the office)
