Book Week
This week we have been celebrating books and reading at our Primary Campus. We have had a Book Fair running throughout the week and on Wednesday students and staff dressed up as Story Book Characters, participating in a Book Parade and taking part in literacy based, multi-age activities throughout the day. The day got off to a great start with a healthy breakfast courtesy of Mrs Geary and her helpers.

Thank you to everyone who supported our Book Fair – all proceeds will be put towards our new library.

Farewell to Mr Vandenhurk
Last week we said farewell to Mr Arnold Vandenhurk. Arnie has worked at our Secondary Campus as a Technology Teacher for many years. He has now decided to retire and looks forward to doing some travelling in the near future. We all thank Arnie for his hard work and contribution to our school.

End of Term
Term 3 finishes next Friday, September 20th, buses will leave the school at 2.30pm. Term 4 begins on Monday October 7th. The holiday break will give our Year 12 students time to begin solid revision for their exams which begin on October 30th.

Secondary Parent /Student/Teacher interviews
These will be held on Monday, September 16th from 3.30 to 6.30pm. All meetings will be held in the Multi-Purpose room of the Community Centre. Staff will be seated at tables around the room and parents are welcome to come at any time and meet with teachers as they become available. Interview times will remain at 10 minutes and we ask everyone to keep to these times to ensure the smooth running of the evening.

VCE NEWS:
The College will be holding a VCE Information Evening on Wednesday, September 18th for both parents and students. Two sessions will be held:
Session 1: 7pm - 8pm—for students entering Year 11 in 2014
Session 2: 8pm - 9pm—for students entering Year 12 in 2014

Both sessions will be held in Room 9. All students and their parents are encouraged to attend.
NOTES HOME THIS WEEK:

◊ Music note regarding the Arts Evening and Patchewollock Music Festival for Vine/Woodall Music Students.

HATS:
A reminder to parents as our weather warms up, students are to wear hats at all time in the playground.

THANK YOU:
A big thank you to all parents who have donated fruit to the school as part of our Healthy Eating program.

THOUGHT FOR THE WEEK:
A happy time is in the air.
For nature starts her loveliest fair.
Soon you shall hear blossom trees sing:
“What colours may we wear for Spring?”

Primary Campus News

The Year 5 Pushcarts Team (with the help of some very talented parents) have been busy this week making gingerbread men and selling sausages at the Election Booth in Ouyen to raise money for their trip to Maryborough.

They would like to thank everyone for the fantastic response as they have raised over $700.

A special thank you to family members who have donated their time to help out.

BOOK WEEK CELEBRATIONS
Last week the Year 6 Students from Ouyen, Tempy & Underbool took part in the Melbourne Camp. We made the arduous journey by bus (without a TV to watch movies on!) leaving early Monday morning. It was smooth sailing from then on. The week was incredibly busy and tiring but it was enjoyed by all. Highlights included Ice Skating, Melbourne Zoo, Aquarium, Wipe Out at MSaC, The Eureka Skydeck, Monet’s Garden Exhibition and that only covers half of it. By the time we finished the Rod Laver Tour on Thursday afternoon we were all exhausted and ready for a quiet night in. It was great to see the kids making their way around the Victoria Markets together before we ventured back home on Friday.

A huge thank you to Mrs Torpey & Mr Cresp. Without your help & enthusiasm the camp would not have been the same. Thanks to everyone involved in the planning & organisation of the camp before we left, it made for a relatively stress free week!!

**Meeting:** Thanks to those who came to our meeting on Monday night. Following the success of our venture to Walpeup, it was decided to have at least one meeting per year in one of the feeder districts. We’ll probably head to the Tempy/Speed area for a meeting next year, if the parents would like it. As usual, there were interesting points raised. Building updates, ideas for new playground and equipment plus the regulations against shifting some of the current equipment from the Primary Campus generated discussion. We are looking closely at what PA can contribute towards new equipment. Ideas on the delivery of compulsory other language programs were also raised. Mrs. Dawes outlined minor changes to the parent/teacher/student exchange (interview) program.

**Catering:** The Year 5 families would love some more help with catering for the Lions Club Dinner next Thursday from anyone who might be around while the students are at the Formal. Need help with food – donations and preparation, serving, and dishes! Contact Raelene [0407849174] if you think you may be able to help.

**Seniors Day** – Year 7/8 families will be in charge of providing soup and sandwiches at the Ouyen Community Park (Roxy Theatre) on October 10th. Details next week. Contact person is Therese Jolly.

**Year 12 Luncheon** – will be on October 23rd. Year 11 families have the honour of this one, however, our contact person, Tracie Corbett, will be away. Could a volunteer from the ranks of Year 11 families please step forward by the start of Term 4, please?

**Street Stall** – PA will be holding a street stall early in Term 4 to raise funds to supplement our contribution towards the new pool blanket.

**Sheep Sale:** Thanks to those who make the effort for their one turn per year for this community service. It’s vital for the success of it and for Parents’ Association’s reputation in the Sheep Sale community) that parents make that effort. We appreciate the fact that parents rostered to work often swap shifts or take time off work to do their time – great commitment, and that many are up half an hour earlier to make sandwiches etc. Good to have some help from the Year 9 Community students, too. Funds raised from our work in the kiosk are considerable – around $5000 per year.

**Pedestrian Crossing:** Parents Association has been pressing for pedestrian crossing markings to be painted at the Oke and Cooper St intersection for quite some time. There are regular close shaves at the intersection as children make their way home or to the street. This will remain an intersection of interest after the school is on one site being the northern entrance to the main business precinct, and an access area for Senior Citizens, mobile library users, Preschool, and Maternal and Child Health Centre users. Any parents wishing to write their own letters to MRCC or Vicroads supporting this notion is encouraged to do so.

THANK YOU:

A special thanks to the Men’s Shed group who are currently using the P-12 facilities.

Jim Mills, Alan Floyd and Merv McDiven took time off their current projects and spent the morning reinforcing the woodworking vices on our new tables.

It is great to see a regular group utilising a great facility and sharing their knowledge with the students.
