WALK TO SCHOOL
Conratulations to the students and staff who have taken on the challenge to walk, ride or scooter to school during the month of October.

Students are encouraged to record their walks on the class tracker sheet that is in each class room.

Thursday, 23rd is designated “prize” day – any students who walk, ride or scooter to school on this day will go into the draw to win a prize – there will be a winner from each year level.

Bus students can be involved by walking the designated course with the staff member on duty – Miss Burns escorted a large group of students on Thursday morning.

If you are too young to walk to school, refer to the map for pick up points with adults who will escort the children to school.

BENDIGO ATHLETICS
Well done to the twenty primary students who represented Ouyen P-12 College in the Regional Athletics held in Bendigo on Monday. In very cool and windy conditions, the students ran, jumped and threw to the best of their ability to achieve some excellent results.

Congratulations to Ebony Greig who achieved third place in the 10 Year Girls shot put, Lauren Grace who was second in the 11 Year Girls discus and Jasmine Anderson who was second in the 11 Year Girls High Jump.

Lauren and Jasmine now have the opportunity to represent the school at State level in Melbourne on Monday, 27th October.

A big thank you to all parents who travelled and supported the athletes, and a HUGE thanks to Mrs Loneran for assistance at training and Miss Burns for accompanying the students on the bus and supervising on Monday.
LODDON MALLEE REGIONAL
ATHLETICS 2014

A team of thirty eight students made Ouyen P-12 College proud last Thursday when they competed in SSV Loddon Mallee Regional Athletics at Bendigo.
The weather was nice and warm, providing great conditions for Athletics. Well done to all of our students who participated with determination and enthusiasm, with many receiving places in their events.

Ouyen P-12 was the 7th placed school for 2014, an admirable effort as all the schools ahead of us had much greater student numbers.

Thank you to:
Mrs. Morrish who has given up her lunchtimes to assist with the organisation and running of training.
Mrs Narelle Latta and Mr Stewart who accompanied and encouraged students at their events and who supervised our area ensuring that our competitors were heading to their events on time.
To the parents who came and supported their students and the Ouyen P-12 team.

Unfortunately none of our students qualified to contest the SSV Athletics State Championships this year.

LMR PLACINGS

2nds

ATHLETICS SHIRTS

If you have an OSC Athletics singlet, please return it to the sport staff as soon as possible. These are school property and will be required for the cricket carnivals.

“Persistence can change failure into extraordinary achievement.”

THANK YOU AND
GOOD LUCK TO THE
VCE CLASS OF 2014

We would like to take this opportunity to thank our Year 12 students for their contribution to the Sports Program while they have been attending Secondary College.
Many have been active and successful contributors to the sporting program, setting a positive example to their peers and representing our school in Swimming, Cross Country, Athletics and Cricket.

We wish them luck in their exams and hope they continue to succeed in their sporting and life endeavours in the future.

Well done and thank you.
Fairfax Festival
During the last week of term, 10 of our Year 8 students were fortunate to be a part of the Fairfax Festival in Swan Hill. The Fairfax Festival celebrates the performing arts in the Mallee region, and commemorates the life of George Fairfax. This year marks the 18th year of the event, and boasted one of the largest crowds to date.

In addition to the four in-school workshops that students had prior to the event with their visiting artist, students participated in daily workshops with other professional artists, focussing on skill development and understanding of the different aspects of performance. This included working with green screens to create music videos, learning computer programs to project images onto 3D images (eg. such as the White Night in Melbourne on the city buildings), creating a radio segment to broadcast on pirate radio, using apps on tablets to develop a story with multimedia elements and working with the Democratic Set company to create a short video clip. In addition to this technology focus, there was also the opportunity to develop an awareness of ‘the fourth wall’ which is a style that includes the audience in the performance, learning scripts to audition for a director and lots of other styles and techniques!

Each evening, we were lucky to be presented with a professional theatre performance, including Love, Fear and Clowns, where we were able to learn about application processes for VCA (Victorian College of the Arts) in Melbourne and the life of struggling artists! Ending the week with the YESFest street festival at the Pioneer Settlement, the community was able to see the product of all the hard work of the participants and their artists, with a headline act by Taylor Henderson.

Ouwen’s designated artist Lukus Robbins centred our performance piece on the premise that every day is a performance in our lives, and the daily routines that we go through may all begin similarly for everyone, yet each individual breaks off from the group in their own time to form their own ‘performance’ in life. He was a fantastic role model for our students, and our group feels they have developed their skills and confidence through their work with him.

Our students thoroughly enjoyed the week, and are extremely grateful for the opportunity to participate in such a significant & exciting program.

Melanie Grant
Year 8 Drama teacher
Job Seekers & School Leavers

SMGT are holding a FREE Registration Day
When: Friday, November 14th
Where: SMGT, Corner of Langtree Ave & 11th Street,
Time: 9am – 4pm

Sue Sly
Careers Coordinator
Congratulations to all students whose Art works were displayed at the Arts Evening this week – a lot of discussion was generated as people checked it all out. There was a great variety of eye-catching and thought-provoking creations – imaginations busy at work. Congratulations, too, to those who braved their nerves and performed musical items – both instrumental and vocal – and a comedic play for the large audience. It was an entertaining show with some dedicated talent on display [and much emerging], sharing the students’ enjoyment of the Arts. Thanks to all involved.

Well done: to all the students who represented us at the Regional Athletics Championships over the past 2 weeks. The competition is high – be proud of your efforts.

Best wishes: to our Year 12 students and their teachers as they complete their final days of school and begin full revision time for exams. Thank you for your contributions to our school’s life over your time – we look forward to recognising you with the dinner on Wednesday, and then on Presentation Evening.

What’s your child’s learning/ study space like? – Natural or indirect lighting such as a desk lamp is best. Try not to study under fluorescent lighting as it may raise cortisol levels in the blood stream and suppress the immune system.
[Help your child succeed at school – a guide for parents: Andrew Fuller]

Meeting: Our next meeting will be on October 27th, 7:00p.m.in the Food Tech room. We will have a guest speaker – more details next newsletter.

Catering:
Year 12 luncheon will be at the school on Wednesday, October 22nd at 12:15. Year 11 families are looking after this and are well on the way. Please contact Helen Gloster with your offer of help 0428 390 991 asap.

We will be providing some supper for Josh Gregg’s 21st birthday at the Tennis Clubhouse on Saturday, October 25th. Open to anyone who feels able to help out. Contact Raelene Vine: 50 921598 or 0407849174. Details below.

Sheep Sale: we are nearly to the end of sheep Sale season. Thanks to all who have taken their turn and worked in the kiosk, baked, or made sandwiches for sale from the kiosk throughout the year. Your efforts are appreciated by those attending sales, workers, PA, and the students and staff who benefit from the funds raised. We especially thank Michelle Morrish for her role as Kiosk supervisor ensuring rosters are done, and each sale’s team is prepared for their turn, the cash tin is ready, and all is in order. These tasks involve a regular time commitment Michelle gives willingly.

Parents Victoria – the on-line conference went well with parents, statewide, taking the opportunity to join in the information sharing and topic discussions. Topics for discussion - Homework, Access, Reporting and BYOD (Bring Your Own Device).

The PV website also has information from the DEECD about EMA, Schoolkids Bonus, Bully Stoppers and more.
www.parentsvictoria.asn.au
