**PRINCIPAL’S REPORT**

**Year 11 Careers Trip**
Our Year 11 students headed to Melbourne and Ballarat on the Careers Camp. I am sure all who attended learned a great deal and will use the experiences to further their future pathways. Thank you to Mrs Sly and Miss Pain for organising and accompanying the group and to the parents who accompanied their children.

**Leadership Conference**
Shelley Cross and I attended the VASSP Leadership Conference in Melbourne. The conference was based on effective leadership and team development. I think it is important to keep reminding ourselves of the importance of keeping abreast with educational thinking especially around positive leadership.

**Year 10 Work Experience**
This week Year 10 students spent the week working in a variety of occupations, experiencing the workforce first-hand.

**Underbool Sports**
On Thursday the local primary schools joined together for the Underbool and District Athletic sports. The weather cooperated by providing a great day to be outside. Thank you to Mrs Morris and Mr Amos for their hard work in preparing for the day and to everyone who helped in any way. We were very pleased to have the Mayor Cr Milne and Mr Peter Crisp MLA attend the day.

**College Council**
The August College Council meeting will be held next Tuesday at 7.30pm.

AROUND THE SCHOOL

The Preps and Year 1s are learning to recycle. We want to stop our landfills from overflowing.
We are learning what REDUCE, REUSE & RECYCLE mean.
REDUCE means make less
REUSE means use again
RECYCLE means make into something else.

To help teach the rest of the school how to recycle, we are writing letters to Mrs Dawes and Ms Cross, making story books and movies about recycling, talking about recycling at the P4 assembly and making posters and signs about how to recycle.
If you have a question about rubbish or recycling you can ask one of us because we know a lot about rubbish and recycling.

YEAR 11 CAREERS TRIP

Students, parents and staff braved a cold 5am start and headed down to Melbourne on the morning of Sunday, August 10th. A quick detour with breakfast at McDonald’s Calder Park Roadhouse gave every one the strength to explore Open days at RMIT Bundoora and City and Australian Catholic University Campuses, the day finishing with a meal and movies at Crown.

Monday’s happenings included visits to The University of Melbourne and University College, La Trobe University Bundoora and campus accommodation, Elly Lukas Beauty Therapy College, Suzan Johnston & The Project, finishing the evening with a meal in Lygon Street.

Tuesday, another early morning start, breakfast at Macca’s in Ballarat then out to Federation University Mt Helen Campus for a presentation of what is available at each of their campuses, and a tour of the Campus and FedUni Living Ballarat Residences. This year we were fortunate enough as a group to have a tour of Camp Street which is the university’s visual and performing arts campus. Thanks to Lynden Burns, La Trobe and Laura Down, Mt Helen for sharing their thoughts on their transition into University and college life.

Thank you to College staff Miss Pain, parents Tania and Ian, who supported the students.

Thanks to Greg, nothing fazed him, for tackling the Melbourne traffic and making sure that we were at our destinations on time.

Students comments
• Having a look around RMIT was awesome, the people were so friendly and it was so much fun having a look at the different aspects of the place.
• RMIT was really good. I talked to someone studying maths and statistics. The highlight was seeing the UAV’s.
• Looking at different ideas and inventions by students at RMIT – a motorbike that ran on compressed air and the future transport of Melbourne.
• I really loved Elly Lukas it was well presented. It was great to see the different pathways of getting into the school.
• Melbourne Uni was amazing, I found it to be so easy to get around and I didn’t realize how good the courses are. The accommodation seemed nice and close.
• I loved Melbourne Uni, the courses are awesome, but what I really liked was the vibe of the campus, it has a really good atmosphere.
• Loved the wide open spaces at La Trobe; it’s nice not being really crowded.
• I really liked the people we spoke to and the state of the art science building.
• Good to see the residential colleges, but not my thing.
• I really liked looking at the journalism and media at La Trobe and the casual feel.
• Suzan Johnston was amazing and the lady talking to us had a lot of advice that could help us with job interviews.
• SJ was really interesting to see what we as future employees could be doing to better our chances of employment.
• The Project was great, Josh Thomas was awesome.
• The Project was hilarious and seeing how small the studio was.
• Fed Uni had a great setup at both campuses. The arts facilities in town were quite impressive.
• Fed Uni was a very different set up to the other unis, they had a lot of interesting courses, and it was very cool to see students singing, acting and dancing at the Uni.
• The Camp Street Campus was the best, it made me want to do it because it looked so fun.
• The careers trip as a whole was an interesting few days which just made me more excited for the courses I am interested in.
• ….was very helpful, it helped me come up with some ideas of what I’d like to do and where I’d like to go. It narrowed down my options.
• ….a great experience that made me aware of the many different options and pathways available through university.
• ….Highly educational and opened my eyes to various new pathways.
**HOUSE ATHLETICS**

The House Athletics Sports will be held next Tuesday, August 19th, 10.30 am start.

Year 10 students and anyone who missed the High Jump on Wednesday are reminded that this will occur at Monday lunch time. Please bring your Sports Gear to compete.

**REMNINDERS FOR SPORTS**

All students are expected to be appropriately attired in House colours and House Shirts on sports day.

NO casual/fashion T-shirts will be allowed. Inappropriate sports uniform will lead to disqualification. Track pants can only be worn to compete in Shot Put, Javelin and Discus events. Track suits/ rugby tops should be worn between events if the weather is cool.

All competitors in 100m, 200m, 400m and 4x100 relay events must use a crouch start-

“ON YOUR MARKS”
“SET”
“GO” (The Gun)

SHOT / DISCUS / JAVELIN athletes MUST enter and leave through the back of the circle/throwing area. All spectators and waiting competitors must remain well behind the throwing areas.

Please check the program carefully and ensure that you are at the appropriate area on time. Running events take priority over field events. If you have a clash in events, report to the field event before going to compete in your track event.

After your track event, return promptly to your field event.

**SPORTS SINGLET**

WE NEED THEM!!!

Thank you to all those families who have returned interschool OSC Sports singlets.

At present however, many shirts are still missing. These shirts are school property and are only loaned out to students. It is important that the shirts are returned as soon as possible as we will need them for the Athletics Team.

**CHALLENGES**

SSV Mallee District team will be selected from performances next Tuesday where first and second placings will proceed.

Students unable to compete in events on Tuesday are reminded that challenges will need to be completed as quickly as possible during lunch times.

**HOUSE SPORTS “Scoring”**

Athletics and Swimming placings are scored based on standard reference points for each age group. This means that students are scored based on their performances as well as their placings. The better the performance, the greater the number of points that can be scored. The aim of this system is to encourage students to try their best at all times and even if they are not winning, to try to finish as close as possible to the winner to obtain as many points as possible. It also rewards students for outstanding performances.

---

**SECONDARY SPORT**

**Age group Championships**

ATHLETICS -

Athletes can count only their four best point scores towards each championship. Scores can only be counted towards one age-group championship. This gives all students the opportunity to compete for an Age Group Championship, especially in Age Groups where there are large numbers of students.

The Open Championship is open to all athletes and is based on the 18-20 Year Age Group Standard Reference Points. Athletes can only count their best five scores.
