Congratulations to Benjamin Gloster, Laura Gloster and Shania Evans on being awarded scholarships and prizes for St Ann's College, University Adelaide and Flinders University. Ben was awarded the Alfred Moxon Simpson Scholarship, Laura the Australian Federation of University Women Prize and Shania the E.D.J. Symon Bursary. It is great to see Ouyen students doing so well in their chosen areas of study and we are very proud of them.

Behaviour on School Buses
It has been disappointing to hear of some very poor behaviour by bus travellers this week. Parents and students are reminded that when enrolling to travel on a school bus, students sign an agreement to abide by rules and conditions of travel. It is very important that students are safe and able to travel with confidence. Please remind your children that they must behave when on the bus and are not permitted to leave their seats while the bus is moving.

Uniform
As we near the end of term it is timely to remind everyone about our school uniform policy. All students are expected to wear school uniform whilst at school. This includes black leather school shoes and the correct school jumpers and trousers. The coming school holidays might provide a good opportunity for parents to stock up on uniform items. If you are experiencing any problems with the cost of uniform please contact the school so we can provide assistance. More details about school uniform can be found in the newsletter.

Student / Teacher Netball
A hotly contested Netball match took place at lunchtime on Tuesday this week between the Year 12’s and staff. The game, though fiercely competitive (staff) was played in good spirits (Yr 12’s). After four tough quarters the staff won by a narrow margin and no one was hurt in the process although Mr Stewart did get stuck in his bib which had to be forcibly removed.

College Council
The June College Council meeting will take place next Tuesday June 16 at 7.00pm. A Finance Sub-committee meeting will take place beforehand at 6.30pm.

Leanne Dawes
Principal

Passengers in motor vehicles:
With a number of Year 12 students starting to drive private vehicles to school, it is important that both students and parents understand the Department policy regarding students driving other students to school.

Following are the DEECD guidelines on this:

Students are not permitted under any circumstances (except in accordance with an approved Pre-Licence Driver Education program, Traffic Safety Education) to transport other students in private cars in connection with any school program or function, whether held during normal school hours or at other times.

This includes driving to and from school and at lunch times.
I would ask for both parent and student cooperation in this matter.
Do not hesitate to ask if you have any questions.

Marie O’Connor
VCE Coordinator
Approximately 75 out of 152 families have already downloaded our tiqbiz app. Please download the app and you’ll be able to receive current information as we post it. You can notify us of any absences your child may be having, tell us if your child/ren are off the bus or, if you’d like to get in touch with a staff member, you can ask for a meeting through tiqbiz. I’m sure there are plenty of other things you’ll be able to think of to use this app. It’s very simple to use but if you are having trouble come and see us in the Office.

### Nationally Consistent Collection of Data on School Students with Disability

**‘Collection Notice’**

All schools in Australia, including Independent and Catholic schools, will participate in the **Nationally Consistent Collection of Data on School Students with Disability** this year.

**The Data Collection** is an annual count of the number of students with disability receiving educational adjustments to support their participation in education on the same basis as students without disability.

All education agencies are now required under the Australian Education Regulation 2013 to provide information on a student’s level of education, disability and level of adjustment to the Australian Government Department of Education and Training.* Data will continue to be de-identified prior to its transfer to the Australian Government Department of Education and Training. No student’s identity will be provided to the Australian Government Department of Education and Training.

The collection of this information from states and territories will inform future policy and program planning in relation to students with disability.

If you have any questions, please do not hesitate to contact Leanne Dawes on 50921182 or the Victorian Department of Education and Training Data Collection Hotline on (03) 9651 3621. For questions after 7 August 2015, please call the Australian Government Department of Education and Training on 1300 566 046.

**THOUGHT FOR THE WEEK**

I am thankful for laughter, except when milk comes out of my nose.

~ Woody Allen

---

**Head Lice:**

Once again we have a case of head lice in the school. Please check your children’s hair on a regular basis. The College Head Lice policy contains the rules and regulations regarding students coming to school. The policy is published in this newsletter.

---

**I.D. Cards are now available at a cost of $5. Many students have already taken up the opportunity. See Mrs Patching in the Office if you would like one.**

**Prep Excursion:**

On Tuesday, June 16th at 10am, the students who work in the Prep room will be visiting Pattinson House. They will be singing some songs and re-telling some stories for the residents. Staff have booked the school bus to transport them there and back.

---

**GOVERNMENT FUNDING:**

FOR HEALTHCARE CARD HOLDERS:

If you hold a current Healthcare Card then you may be eligible for CSEF.

This financial assistance could be of benefit to your family.

Bring your Healthcare Card to the General Office for more information and/or help.

Applications close June 26th.

---

**SPORTS SINGLETS**

WE NEED THEM!!!

Thank you to all those families who have returned interschool OSC Sports singlets. At present some shirts have been brought back, however, many of them are still missing from our supply and need to be returned. These shirts are school property and are only loaned out to students. It is important that the shirts are returned. Please check your cupboards.

---

**Forthcoming Dates**

**SSV State Finals**

Cross Country

Thursday 16th July

Bundoora

**SSV Mallee**

Division Winter Games

Tuesday, 28th July

Robinvale
As we come to the end of the semester it is timely to remind everyone that our school has a uniform policy and it is a requirement for attendance. At the moment several children are out of uniform regularly, and we hope that during the coming holidays, uniform requirements can be met. If any families require assistance in purchasing uniforms, help is available from the State Schools Relief Fund. Please make an appointment to discuss the matter with Mrs Dawes.

The most obvious issues we have are:

- Students in Years 5-12 are expected to wear black leather shoes – this is an OH&S requirement. They should also change for sport and PE lessons
- Long sleeve shirts can be worn in cold weather BUT must be the SAME colour as the T-shirt worn
- Socks with shorts or dresses must be white
- Boys trousers are grey – not blue
- Only students from Prep to Year 4 may wear track pants and windcheaters
- Rugby tops are for sport events only
- Shorts with stripes, logos or cargo pockets are not acceptable
- Jeans and leggings are not acceptable at any level

We understand that children may be cold and they are allowed to wear coats, beanies and scarves OUTSIDE.

---

**Uniform**

---

**Ouyen Pre School Picture Plate Drive**

The Ouyen Pre School is currently taking orders for melamine picture plates. These high quality, durable melamine plates are both decorative and useful, as well as being a timeless keepsake for future years.

Children can use photos, markers, hand and footprints and paints to create artworks, and you can order as many copies as you like.

For further details or anyone wishing to order a picture plate, can purchase them for $25 from Narelle Latta at school or any kinder parent.

Orders and money (cash or cheque made payable to Ouyen Pre School) are due by Thursday 18th June 2015.
LIGHTNING PREMIERSHIPS:
A big congratulations to the students on their efforts at the Lightning Premierships held on Wednesday at Blackburn Park.

In sunny conditions, the boys competed enthusiastically in a new football format – AFL 9’s. This was a test of the boys skills where dropping marks and inaccurate kicking lead the ball to being turned over. With only three nominated scorers, the boys had to be accurate with their passes. After a busy round robin St. Mary’s 1 played off against the combined Tempy/Underbool side, with a few Ouyen boys lucky enough to play in the combination. St. Mary’s proved too strong and went on to win, in a much closer match than the first encounter of the day.

The girls played some great netball and secured a place in the finals, but were defeated by a stronger St. Mary’s combination.

The day would not be possible without a contribution from many people, so thank you to:

- Mr Roberts and Mrs Stone for organising the football and netball teams and coordinating the events on the day
- Mrs Richardson for her supervision at the netball courts
- Bailey Harker and Matt Cresp for their umpiring skills in the football competition- the two boys did an outstanding job.
- The Ouyen boys who played in the Tempy/Underbool side without fuss
- Ouyen United Netball and Football clubs for the use of equipment and facilities
- Blackburn Park committee for allowing use of the grounds
- Staff and students from the competing schools for supervision and umpiring skills.

On Wednesday, Ouyen Year 5/6 went to Lightning Premiership at Blackburn Park. The boys played footy and the girls played netball.

In the netball, St Marys 1 came out on top and Ouyen came 2nd. We lost the Grand Final by 3 points and we won all our games except against St Marys 1.

In the football, we played against Underbool & District, Murraville, Robinvale St Marys 1 and Robinvale St Marys 2. We lost all our matches but Darcy, Sam and I played for Underbool and District and we made it to the Grand Final against Robinvale St Marys 2, and we lost.

By Molly, Nat and Dylan.
Work Experience / Structured Work placement  
Dates – 2015  
Year 10 – August, 10th / 14th  
Year 11 – July, 13th / 17th  
July 6th – 10th (Optional School Holidays)

YEAR 11 WORK EXPERIENCE  
All Year 11 students should by now have organized their placements for week one of term 3 (Monday 15th Friday 17th July). OHS – Safe@Work will be completed at school before the end of term. Students will be required to contact their host employer prior to placement starts. Find out / or make a final check on the following details:
⇒ Your start and finish times each day,
⇒ What should you wear?
⇒ What lunch arrangements you will need to make
⇒ What you will be doing during your work placement
⇒ Ask any other questions that may be of concern to you

FLINDERS UNIVERSITY uniTEST – Entry pathway for 2016  
uniTEST is an aptitude test that has been developed to assess the kinds of generic reasoning and thinking skills that underpin studies at higher education and that are needed for students to be successful at this level. You will be eligible to compete for a place in your preferred course at Flinders on the basis of uniTEST.
• Combination of your Year 12 performance and the uniTEST results
• Any other selection methodology for which you are eligible
The online uniTEST will be held at the school under examination conditions.
Names to Sue Sly by Wednesday 24th June 2015

LATROBE UNIVERSITY – ASPIRE  
Applications are assessed on a student’s level of community engagement and a school’s recommendation will also form part of the assessment.
The Aspire Program recognises that you are worth more than your ATAR score and gives you the opportunity to be rewarded for your contribution to your community. Applications are open to all of our courses and early offers will be conditional upon meeting the minimum ATAR requirement and prerequisite for the course.
More information available from http://www.latrobe.edu.au/study/aspire/minimum-ATAR-requirements

TERTIARY STUDIES & CAREERS EXPO ADELAIDE  
TSCEA is an important event for anyone seeking to explore their tertiary studies, training and career options. Featuring many local, interstate and overseas education providers and support agencies, TSCEA offers a unique opportunity for anyone interested in starting, changing or upgrading their career!
Where: Adelaide Convention Centre  
Date & Time: Sunday 14th June, 10am – 4pm
http://www.careersevent.com/tscea/visitor-information/

RESPONSIBLE SERVICE OF Alcohol – SUNITEAFE  
The next RSA course is Monday 15th June at 5.30.
For more information call SuniTAFE 1900 478 648 or visit www.sunitafe.edu.au

DHHS STUDENT SCHOLARSHIPS PROGRAM- Applications close today 12th June 2015  
Scholarships valued at $1,100 are available for eligible students who are continuing their secondary education in the 2016 academic year. Students need to be enrolled in Year 11 or 12 VCE or VCAL in 2016.
For full details of eligibility and the online application process, visit the DHHS Student Scholarships Program website

WORK EXPERIENCE STUDENTS MUST NOT BE PERMITTED TO:
• Hand out medication or discuss condition of patients
• Administer medication either internally or externally
• Bathe patients
• Undertake any task that requires training or special skills to avoid a risk to safety - e.g. operating machinery, using explosives, welding, brazing or flame soldering
• Undertake work relying on safe worker behaviour (for example, the correct use of personal protective equipment such as respirators) rather than risk controls that protect everyone (such as a fully enclosed ventilation booth to isolate the hazard)
• Hold or transport cash and negotiable items – such as cash, stamps or cheques – with a value exceeding $100. (This excludes the student’s personal items)
• Hold keys, codes or ciphers except those required to operate standard office machines or other permitted equipment

Use ANY dangerous plant and equipment:  
(The examples listed here do not form an exhaustive list of items in this category.)
• Powered mobile plant (students must never be permitted to drive any vehicle or mobile plant while on work experience – this includes tractors, forklifts, all-terrain vehicles, ride-on mowers, bulldozers, excavators, skidders).
• Powered cutting or grinding tools (excluding those used for key cutting and engraving on items such as trophies)
• Ultra Violet (UV) equipment
• Gas fuelled cutting equipment
• Chain saws
• Welding, brazing and open flame soldering equipment
• Rubbish compactors
• Power presses – unless press has laser guarding or a remote control, and training and close supervision are provided
• Powered lifting equipment
• Excavators
• Elevating work platforms
• Compressed air power tools
• Abrasive blasting equipment
• Explosive powered tools
• Brush cutters with attached metal blades
• Scaffolding
• Power saws, including docking saws and circular saws
• Buzzers
• Thicknessers
• Guillotines
• Spindle moulders
• Power wood shapers
• Nail guns
• Jack hammers.
• Plastic moulding machines
• Lathes
• Petrol sales consoles.

Sue Sly  
Careers Coordinator

NURSING AS A CAREER  

On Thursday, June 4th, Year 11 students who are interested in the health field had the privilege of participating in a Nursing Career Day at the Mildura Base Hospital. The students got to experience a number of different nursing categories including mental health, theatre nursing, midwifery and hands on nursing activities. The students also thoroughly enjoyed the hospital tour and then the La Trobe University and SuniTAFE Mildura information session. A big thanks to all at Mildura Base Hospital staff who organised the great day and ran all of the activities.

I had a really fantastic time at the nursing open day, doing lots of hands on activities. My favourite part of the day was during the midwifery activity, it was really interesting to learn about because it is a nursing pathway I am looking at getting into when I’m older. I also really enjoyed theatre nursing and dressing up in the scrub! - Adriana
I really enjoyed the day learning all the different parts nursing involves. It has given me a better insight of what career path I’d like to take. I really recommend it. - Madeline
The nursing was an educational and entertaining day as we partook in many different activities within the hospital workplaces. The most enjoyable parts of the day for me was in the midwifery ward where we got to see a placenta as well as in the skills lab where we were shown what it would be like to have voices in your head. It was definitely a good day. - Parris
The nursing open day was a captivating experience because it allowed me a perspective understanding of the various fields in nursing and a nurse’s day to day lifestyle and requirements. The day was an engaging and practical occurrence, giving us a diverse range of action-packed activities throughout the day. Overall it was an enjoyable event. - Bethany
Preparations are well under way for our Musical Production- Disney’s “High School Musical” Junior version.

There is still time for students to join the cast in one of the ensemble groups, but please let a staff member know as soon as possible.

Auditions and several rehearsals have already taken place at lunchtime and now staff have scheduled two after school sessions. These will take place on:

♦ Monday, June 15th
♦ Monday, June 22nd
♦ From 3.30pm-4.45pm
♦ In the MPH, Ouyen Community Centre and/or the Music Room.

The first after school session will be a movie viewing with afternoon tea provided. Students will need to bring scripts, planners, a highlighter and a grey lead pencil.

Please keep in mind that extra work on this project is required to bring it to a suitable standard and all students and staff concerned are giving up their free time to bring this about. Some support with transport has been offered for out of town students and we are hoping that families might also be able to car-pool. Please advise if assistance is needed. We do understand if you have genuine reasons for being unable to attend. If this is the case, students are expected to please advise Mrs Woodall, Mr Roberts, Miss Ginn, Mrs Stone or Mr O’Brien to enable adjustments to planning.

Bryan Louise

By arrangement with Hal Leonard Australia Pty Ltd, exclusive agent for Music Theatre International, NY

I really enjoyed the nursing day! It was a great experience, and was a good chance to gain an understanding of all the different components in the nursing industry. My favourite part was the midwifery area, as it is something I am considering for my future career! I highly recommend taking the opportunity to participate in this day! - Maddie

I really enjoyed the open nursing day and I recommend for everyone to take the opportunity and participate in future years. I liked that it was a hands on day and we were able to have a tour of the hospital. I especially enjoyed the midwifery wing of the hospital and the hands on nursing task we performed. - Ebonnie

The nursing as a career day was an extremely informative and captivating experience. It gave me an insight as to how many different types of nursing there are, as well as the different pathways into it. I particularly enjoyed dressing up to go into theatre, seeing the placenta in the midwifery talk, and getting to do the hands-on nursing task at the end of the day. I definitely recommend that you take the opportunity to attend this day if you are given it! - Joshua Brauer
Parents Association

Meeting – We held our meeting in the afternoon sunshine on the caf veranda on Monday. Thanks to Ms. Cross for talking to us about the new spelling program. Her presentation included showing us the material used and some of the work staff are doing it through the different year levels, explaining how this program was decided upon, and sharing the news about vastly improved spelling results showing in on-demand testing already. PA is in demand for help with catering. There was discussion about various catering tasks.

Uniform expectations were clarified – throughout year levels and, specifically in the transition level from year 4 into year 5.

There was good news from our request to the school photography company. There will be a discount offer for families ordering for three or more children, and it will be possible to purchase a single group photo without all the extra pics. There is the possibility of speakers from Headspace and Centacare’s Gambling Responibly unit.

Catering –
Saturday, June 27th – we have been asked to provide [no workers] food for Bev Morrish’s special birthday afternoon tea – Years P/1/2 – see below
July 12th – Afternoon tea at Trotting Club for Stan Healy’s 90th - Years 3 and 4 – see below
July 17th – 2 course dinner for Speed Lions Club changeover at Blackburn Park – Year 9/10

Justine Cresp – President, Raelene Vine – Secretary

CATERING:

Bev Morrish’s 70th birthday afternoon tea at Ouyen Community Club
Saturday, June 27th - catered by Prep, 1 & 2 families - contact person Pat Higgins on 0427 669 331
Arrangements are being made for delivery of food. Will advise next newsletter.

1 pkt white sandwiches – mixed - plated
1 mini pkt wholemeal sandwiches – mixed - plated
1 mini pkt bread made into toasties
1 savoury platter
1 sponge
Batch rumballs
1 batch scones - sweet and savoury toppings
1 doz yo-yos
1 batch cup cakes
5 doz slice varieties – advise Pat to ensure variety
We will need someone to be a delivery point who can then deliver to the Community Club.

Stan Healy’s 90th birthday afternoon tea for 150 guests
Sunday, July 12th - catered by Year 3/4 families - contact person Carmel Vallance on 0459021103
Goods to be delivered to Trotting Track kitchen by 1:00p.m. Sunday or call Carmel 0459021103 or Raelene 0407849174 to make other arrangements

2 pkts white sandwiches – mixed fillings 10 doz sausage rolls
1 pkt wholemeal sandwiches – mixed fillings 6 doz mini quiche
1 cob loaf 2 savoury platters or $ towards
2 sponges/ ginger fluffs Orange cake
Jelly slice Cake – other variety
Apple/sour cream slice Hedgehog slice
Hazelnut slice Batch yo-yos
Lemon slice Batch cream puffs
Vanilla slice Batch mushrooms
Batch scones – sweet and savoury tops Batch rumballs
2 or 3 workers to plate up/ heat up/ put food out – 1pm on
2 or 3 to clear away – from 3pm
Year 11 Ag / Hort Fresh Produce Markets

As part of the VCE Unit 1 Ag/Hort subject, students have had to plan, implement and evaluate management and production activities to operate a small agricultural or horticultural business involving the care and monitoring of living plants or animals. Students this semester have run highly successful enterprises, including the breeding of pet rabbits, worm farming and high quality vegetables and herbs. Students have had to produce a business proposal, implement their plans and then consider important factors such as quality control, marketing, production plans, experimental research and budgeting.

In recent weeks the students have sold the majority or their produce through fresh food markets available to staff at school or through word of mouth in community groups. Many new pet rabbits have joined families here in the Mallee in recent weeks!

Students have thoroughly enjoyed the opportunity to take responsibility for their own enterprise, manage funds and in most cases, make a profit!

Anyone wishing to purchase lemons from the Ag/Hort students as a group, please see advert. Proceeds from the sale of the lemons goes towards purchasing new vegetable and herb seeds for the agriculture students to use.

Lemons for sale!

Anyone for lemon meringue? Lemonade? Lemon slice?

The Agriculture students have produced an abundance of large, delicious, juicy lemons! These are available for sale for 50 cents each at the General Office or by contacting Mrs Latta directly. Proceeds of the sale of these lemons goes towards purchasing more vegetable and herb seeds for the patch.

Amongst the abundance of lemons on the tree, the Ag students and Mrs Latta have been closely watching the growth of this lemon.............. It was time to pick and weigh it. Any guesses?
Head Lice Policy

POLICY STATEMENT - OUYEN P-12 COLLEGE

Head Lice

Purpose:

Head lice continue to cause concern and frustration for some parents, teachers and children. This school policy is intended to outline roles, responsibilities and expectations of the school community to assist with treating and controlling head lice in a consistent and coordinated manner.

Whilst parents have the primary responsibility for the detection and treatment of head lice our school community will work in a cooperative and collaborative manner to assist all families to manage head lice effectively.

This school policy draws on information obtained from the Victorian Government Health Information website.

Guidelines:

It is the expectation of parents/carers and families attending this school that:

- Children’s hair will be checked for head lice on a weekly basis, at home, using the recommended conditioner/combing detection method

- That your child does not attend school with untreated head lice (in accordance with Health Infectious Diseases Regulations 2001).

- Regularly inspect all household members and then treat them if necessary

- Parents/carers will notify the school if their child is found to have live lice and advise when appropriate treatment was commenced (in accordance with Health Infectious Disease Regulations 2001)

- That following detection and treatment of lice, a letter from the local shire office, stating that hair is clear, will be obtained.

- Children with long hair will attend school with hair tied back

- Use only safe and recommended practices to treat head lice

- Notify the parents or carers of your child’s friends so they have an early opportunity to detect and treat their children if necessary

- Maintain a sympathetic attitude and avoid stigmatising/blaming families who are experiencing difficulty with control measures

- Act responsibly and respectfully when dealing with members of the school and broader community especially around issues of head lice

- Sign an agreement accepting the terms of the School Head Lice Procedures.

To support parents/carers and the broader school community to achieve a consistent, collaborative approach to head lice management the school will undertake to:

- Distribute up to date and accurate information on the detection, treatment and control of head lice to parents and staff at the beginning of the year or more frequently if required.

- Include information about head lice management in orientation and transition programs for new families/staff attending the school
Attention Ouyen & Mallee Track Students

SCHOOL HOLIDAY ACTIVITIES
FOR STUDENTS IN YEAR 7 TO 12
HURRY LIMITED SPACES!

Movies & Pizza—Wednesday 8 July 2015
Spend a relaxing day with friends at the
Deakin Cinema Complex followed by a tasty slice or two of pizza! There will be a choice of
movies to see. The movie will be rated M.

Time: 8.45am — 3:15pm
Cost: $15
Lunch provided
Treats can be purchased from the candy bar.
Transport Provided
Fully Supervised

A bus will be leaving at 8:45am Roxy Theatre bus stop and will be returning at 3:15pm.
The bus is provided to all young people who have enrolled to come to the Movies and Pizza to
be held in Mildura.

To secure your child’s place in the activity, full payment must be made when returning the
Holiday Action Enrolment and Intake form. Forms are available from Ouyen College and Coun-
cill’s Office 79 Oke Street Ouyen.

Payment and forms need to be returned to Councils Ouyen Office by Thursday 25 June 2015
