Principal’s Report

Our secondary swimming team had a successful day in Mildura on Wednesday, with a large number of students qualifying for the next stage in Swan Hill. Congratulations and good luck to them. Thanks to the staff that train the swimmers in their own time, assist at the competitions and those who pick up the extra work at school while these events happen. Also, congratulations to the Year 6 students. Dylan Davis, Lauren Grace, Sam Scott & Molly Grigg who played tennis in Mildura this week. Dylan & Lauren were the eventual champions on the day, with Molly Grigg being a runner up.

Level Coordinators and teachers of students met with parents and students who have Learning Plans in Years 7-10. Planning to meet individual student needs is a focus at our College, and this is one way that we can assist, extend and develop the skills of individual students. Student Learning Plans will be further discussed at Parent Teacher interviews on April 14.

On Thursday we had the privilege of hosting the ANZAC Centenary Roadshow. Students from Years 3-12 were enlightened about the history of those who died defending our rights and freedom. Students received booklets and medallions as a gesture from the State Government, to allow them to become a part of a national event.

Following the long weekend (enjoy the extra day, and good luck if you are playing tennis!) our Year 7 and 8 students are off to Cape Bridgewater. We hope they have a wonderful time and great weather.

LIONS YOUTH OF THE YEAR:
Congratulation to Lee Conlin, Charlotte Nixon and Broderick O’Connor-Byrne who took part in the Lion’s Youth of the Year competition on Wednesday, February 25th. After an interview process, students were required to deliver two impromptu speeches as well as a 5 minute speech on a topic of their choice.

Everyone took off to an excellent start with the impromptu speeches and only improved by the final presentation of their rehearsed speeches, which were clearly and passionately delivered.

Broderick won the public speaking portion of the contest and Charlotte as the overall winner will progress to the next round.

Kind thanks to the Lions Club for their efforts in holding the event as well as community members who came to support our students.

English Coordinator

We had a perfect day for swimming as our students, parents and staff ventured to Mildura for the annual SSV Mallee Zone Swimming Carnival on Wednesday. It was great to see our students swim in a professional manner, taking their events seriously. They were also extremely helpful in carrying gear, setting up and packing up our area.

The competition was, at times, lacking but all our competitors competed with endeavour and enthusiasm.

We were successful in five of the six age group championships.
