On behalf of the school community I would like to thank the retiring College Council members for their service to the school. John Cattanach, Casey Stoetzer and Steven Vallance have made valuable contributions throughout their terms on council with Steven racking up an impressive 14 years.

We are seeing issues with uniform at present. I would ask that parents check the uniform policy in the student planner, or ask for a copy from the office. (Uniform requirements are also on our website.)

ALL students from Prep to Year 12 are required to wear the uniform. Students in Years 5 to 12 must wear BLACK leather shoes as it is an OH&S requirement. Black socks are only to be worn with the winter uniform – long pants.

Shorts are not bike pants, leggings or running style and only students in Prep to Year 4 may wear navy track pants. Hats are navy bucket or wide-brimmed style.

I would also recommend that long hair be tied back for safety, and as an extra precaution against head lice. Appropriate jewellery and hair accessories, as per the policy can reduce the risk of accidental injury. No student should wear makeup or nail polish.

I understand that on occasion uniforms are lost, dirty, unavailable or outgrown. A note to the level coordinator or class teacher is appreciated. We do have some uniforms available at the school if you are having difficulty locating items. Please see Mrs Pearson who can help with this.

Congratulations to Lauren Grace on her success in the pool on Tuesday. Lauren has qualified to compete in the State finals.

YEAR 10 AGRICULTURE:
The Year 10 Agriculture students are actively undertaking a self-directed landscape designing project of the quadrangle area at school. Students are involved in every step of the process, from creating a design of what they expect the new space to look like, right through to the completion of the area.

Students have completed a design brief with the ‘client’ and are now working towards the landscaping and irrigation of the area. They have worked collaboratively with each other to discuss limitations and boundaries regarding the design of the garden beds and potential arbour structures that would fit the design brief and meet student needs.

The students should be congratulated on how hard they are working and feel a sense of pride and achievement at improving their school.

Thank you to the family who donated money. We have put it towards the purchase of secateurs & hedge trimmers. Any other donations of gardening equipment old or new would be gratefully received & well used by these students.

The lost property box can be found in the P-4 end of the building, near the Discovery Centre.

It also gives the Year 10 students an opportunity to develop their leadership skills in a supervised environment.

The following Year 10 students have volunteered to partake in the program and should be congratulated on their tremendous effort so far:

- Peter Darley
- Declan Anderson
- Charlee Pengelly
- Liam Brackenridge-Blume
- Laura Hayter
- James Phillips
- Macey Evans
- Mykel Pierson
- Tom Morrish
- Matt Hill
- Allie Winslow
- Harrison Jolly

Many thanks also go to the combined efforts of the Junior school teaching staff; their efforts do not go unnoticed.

Mr Stewart, Miss McCuish & Miss Lacey
SWIMMING:
Congratulations to the team of primary swimmers who represented the school at the Regional Swimming Carnival on Tuesday.

The students – although somewhat daunted by the thought of swimming in a 50m pool – competed with enthusiasm and determination.

Congratulations to Lauren Grace who won the 12 year girls freestyle and will now participate in the State Swimming Championships to be held in Melbourne early next term. Lauren also placed third in the 12 year girls breaststroke.

Well done also to Molly Grigg who achieved third place in the 12 year girls backstroke.
The relay team of Lauren, Molly, Brodee Lennon and Jaimie Darley came second in the 12 year girls freestyle and medley relay – a great effort.

Thank you to Mrs Grace for supervising the team and Mr Emms for driving the bus to Swan Hill. A huge thanks to the parents and friends who transported and supported and cheered on the swimmers. It certainly helped the students make the 50m!!

TENNIS:
Good luck to Dylan, Lauren and Molly who will be representing the school at the Regional tennis finals in Swan Hill on Monday, March 23rd. We wish them all the best and look forward to hearing how they went.

CROSS COUNTRY:
The cross country will be conducted on THURSDAY, APRIL 30TH – please note the change of date for this event.

It will be a P-12 college event. Further details – times and distances will be on the newsletter next week.

RIDE 2 SCHOOL:
Well done to the students who took up the challenge of riding or walking to school today. A report will be in the newsletter next week.

BIATHLON:
Congratulations to the students who have used sport time to practice for the biathlon event that was conducted today. Thanks to the sport staff, Mrs Lonergan and Mrs Simmonds who have assisted at practise over the past few weeks. Results will appear in the newsletter next week.
LODDON - MALLEE REGION SWIMMING CHAMPIONSHIPS

Forty two Ouyen P-12 College Secondary students travelled to Swan Hill on Tuesday to compete against a wide range of schools in the LMR Swimming Championships. The day was quite overcast with rain threatening all day and as usual, the pool was very cold.

Congratulations to all of our students who tried their best in the pool. Unfortunately, no students were successful in reaching the State Finals but several placings were achieved in several individual and relay events throughout the day.

It was great to see our small school competing strongly against schools with much larger student numbers. At the end of the day we finished 4th to much larger schools - the winners Catholic College Bendigo, St. Josephs College Mildura (2nd) and MacKillop College Swan Hill (3rd).

Thank you to - the many parents who ventured to Swan Hill to support the students.
- Peter (Snoopy) Floyd who drove us safely to and from Swan Hill.
- the staff: Mrs Morrish and Sue Sly who took photos, supervised students in our area and sent them to marshall.
- Mrs. Morrish who has coached the students at afternoon swimming training sessions and Maureen Wandel who coaches students at Underbool. Our students are lucky to have these opportunities to improve their skills and fitness.
