BIATHLON

Although the pool was extremely cold, the weather was great for the Biathlon on Wednesday as 103 Ouyen P-12 secondary students took on the challenge this year. Thank you to those students who brought notes explaining why they could not compete on the day. The distances are achievable by all if they are willing to accept the challenge. For those participating, it was fantastic to see students competing with endeavour and enthusiasm. It was also great to see students acting responsibly, looking after themselves prior to and after their events. A special congratulations to all of the Year 7’s who accepted the challenge and participated in their first Biathlon and the Year 12’s who participated in their last School Biathlon. Congratulations to Insignia 512 who defeated Olympic 499.

Well done to the students - who were unable to participate in an individual event, but supported their house by competing in a relay. Congratulations to Liam Brackenridge-Blume and Ruby Magnisalis who won the Team event.

Thank you to

• Mr. Amos for setting up and packing up the barriers which block off the roads, providing a safe course for our students.
• MRCC for providing the barriers and allowing us to block off the roads around the pool to ensure the safety of our students.
• the staff for their assistance and support on such a demanding and time consuming activity. Your work was greatly appreciated.
• Daniel and the YMCA for the organisation at the pool.

Congratulations: to all who participated in the Biathlon events this week – some great camaraderie on display for what can be a challenging event.

It’s been a busy term for students, staff and parents. Term two is shaping up to meet the pace set in Term One. We can’t claim boredom or nothing to do! Thanks to all parents and friends who have helped us with activities so far. We have four events booked in for the term already, as well as the regular sheep sales. We hope families can feel able to help with at least one of them to enable us to maintain our good name while helping the school out.

Thanks: to Miss Cross and Co for their work in leading the school this Term, and for the interaction with Parents’ Association.

The University of NSW is offering children the opportunity to participate in these annual competitions. These competitions are held

• As a skills development assessment program in key areas of learning for students in Years 2 - 12.
• To gather performance information through in school testing
• To provide a continuous, independent and comprehensive record of a student’s performance
• To map development from primary through secondary
• Certificates of High Distinction, Distinction, Credit, Merit & Participation are awarded
• Results and analytical reports are available to parents and students
• Entries are administered through school so teachers can access the information

To enrol your child, please complete the registration form and return it, with your entry fees, to your child’s home group teacher or the General Office by Thursday, April 16th.
