Vale Helena Cattanach
It was with great sorrow that we heard of the sudden death of Mrs Helena Cattanach this week. Helena has been one of the mainstays of our community for many years. I first met Helena in 1979 when after the closure of Mittyack Primary School I was sent to Ouyen Primary School to teach. Helena was very kind to me, making me feel welcome and smoothing my way. Helena is well known across the district for her contribution to education in the Mallee as well as for her other wider community work. Everyone at Ouyen P-12 College extends their sympathy to Helena’s family and friends at this time.

Busy Week
Another busy week here at Ouyen P-12 College has passed with rehearsals for the school’s Musical, sports training, an SRC organised fun run to raise money for the Leukaemia Foundation and the Northwest Trackers fundraising for the Cancer Council. Parents Association met on Monday evening, College Council met on Tuesday night and Parent / Student/ Teacher Conferences took place across two nights. Mrs O’Connor and senior staff conducted Year 11 and 12 Information Meetings following interviews and it was great to see parents and students coming along to learn more about these important years. All in all I think everyone has well and truly earned a break over the next two weeks.

Hats
A reminder that our school’s Sunsmart Policy requires all students and staff to wear hats when outside for Term 4. We have a policy of ‘No Hat No Play’ so please ensure that your child has a named wide brimmed hat from the beginning of the term.

College Council
At the September meeting of College Council a plan for grounds improvement was discussed and items prioritised for the future. We are currently seeking quotes for extra shade sails in the senior area, the construction of a Half Court and extra seating for students around the school.

Trespassers on School Grounds
There have been reports recently of people on the school grounds after hours. Last week a vehicle was seen near the oval and damage to a tank was later discovered. We have a number of security cameras around the buildings however ask for community cooperation to ensure that staff or police are alerted to anyone seen on the grounds after school hours.

Farewell
Mr Emms is leaving this week to head overseas for a time. Mr Emms has contributed a great deal to the students at our school and we wish him all the best for the future.

YEAR 7 SCIENCE – CHICKENS

As part of their study into food chains and ecosystems, the year 7 students have been hatching chickens.

The chickens went into the incubator on Tuesday, 25th August to begin their three week hatching period. *Rosey Jane* was the first chicken to arrive, quickly making her presence felt with her chirps filtering down the corridor.

During the week a further five chickens have arrived and many eggs are showing signs of hatching. A range of different coloured chicks have been hatched.

The students took the chickens outside for a run and *Rosey Jane* quickly followed owner Lily around the yard, while *Leslie* a placid, black chicken was happy to snuggle.

A huge thank you to Megan Hastings for supplying the incubator and eggs and lots of guidance and assistance along the way.
HIGH SCHOOL MUSICAL:

We have decided to hold a rehearsal in the holidays that will involve cast, stage crew and sound and lighting team. It will be on Tuesday 29th September from 10am - 5pm in the Community Centre. We would love to see everyone there to “Keep Your Head in the Game.” Please notify a ‘Musical’ staff member if unable to attend. Lunch is provided, but please bring extra drinks and snacks. Support with transport home has been offered. Please notify Mrs Woodall if this is required. We genuinely do appreciate everyone’s time and effort to bring this project to the standard we all expect. Not long now!!

Week 1, Term 4 is Production Week. Please note the timetable for this week.

- Year 1s and 2s are looking forward to holidays because...
Wednesday the school was awash with colour as year levels came in their designated colours to take part in the inaugural colour run. The preps were multi-coloured and the senior students were nice and bright in their fluoro colours.

Fun run organisers Jess, Abbey and Ethan awarded a range of prizes to the colourful students in the school, with Georgia and Blake a stand out in their red costumes.

The primary students kicked off the fun run in fine style taking the opportunity to run, walk and skip around the course in the sunny conditions. Joel, Ziyoun, Samuel, Georgia and Harry were some of the students who ran at least four laps in their allotted time.

The grade 5 – year 10 students arrived to complete some laps with the junior students, taking advantage of the warm and sunny conditions to wander around the course. Matt, Ethan and Tim challenged themselves to run as many laps as possible reaching the 6-8 lap mark.

Year 11 and Year 12 students in their fluoro colours brightened up the course on their arrival and wandered around with staff to finish the event.

The day concluded with the SRC’s sausage sizzle and a free drink was provided to all students.

Well done to the SRC for their organisation, in particular Jess, Abbey and Ethan for their hard work to make the fun run a success and Aidan, Harry, Nic, Bailey and Liam for organising the BBQ to feed the hungry hordes after the run.

The SRC raised $236.20 from the day which will be donated to the Leukaemia Foundation and the North West Trekkers.

Our Good Manners Award recipient for September was Adriana Smith. The Office ladies appreciate those students who use good manners while attending the office. Congratulations, Adriana.
Books borrowed from the library are the student’s responsibility.
If books are lost or misplaced please see the library staff.
Families will be charged for books that are not returned.
KINDER TRANSITION:
On Monday, the Preps went for a visit to the Kinder to begin the transition program for the 2016 Preps.

The current Preps enjoyed the Kinder life for the morning, bringing back many memories.

We are all very excited to continue our transition activities and days with the future Preps of Ouyen P-12 College!

WE HAVE KIDS!
Over the weekend Butter Chicken and Shazza both welcomed kids into the world!
We have three baby goats that we think are exceptionally cute and cuddly. They are feeding well and getting bigger and stronger each day. Hopefully all students will get the opportunity to meet them early next term if they haven’t already.
Students who have qualified to compete in Bendigo next term must realize the need to continue their regular training regime over the holidays. The carnival in Bendigo is on the first Thursday back, so any fitness lost through lack of training cannot be made up when we return to school. Some ideas for training have been provided.

**Transport Arrangements**

Thank you to students who have let me know how they will be getting to the Bendigo Athletics. The bus will leave Ouyen at 6 a.m. and return by 8 p.m. The current arrangements are that the bus will be travelling via the Calder, not through Tempy and Speed. I will let students know if this changes. The cost will be $85 which will need to be paid by Wednesday 7th. The Permission forms will also need to be signed and returned by this date.

**Transport - School Bus** - leaving 6.00 am from Bus Departure area.

Coordinator
Mrs. Cattanach: It is with sadness that we note the passing of former PA member and long-time 3615 teacher, Mrs. Helena Cattanach. Helena’s dedication to the education of generations of district students was known, commended, and appreciated. She had a deep love for her role as a teacher and for the thousands of students she worked with over a long and successful career. She was a staunch supporter of the aims and work of Parents Association, helping regularly over her time as a school parent. On behalf of Parents Association, we extend sympathy to her family. She will be deeply missed but long remembered.

Meeting: Scheduling the meeting to coincide with High School Musical rehearsals, we had a quick, informal but informative gathering, and were serenaded as we met. Parents Association meetings are great opportunities to learn about different aspects of the school and to gain an insight into the thinking and planning behind things that happen. Those who do attend find the information Mrs. Dawes shares to be most helpful and enlightening. We would like more parents to be able to access this information. We are working on a strategy to involve more parents from 2016 on. All parents are always welcome.

Mrs. Dawes talked about staffing, planning for next year, the School Review cycle and the main day on October 14th, grounds developments, new equity funding, good things and some concerns. Kiosk equipment has been tested and tagged, and the urn cord fixed. A new kettle has been purchased. We have funded a new English program for years F – 10 focussing on Grammar and Punctuation to help improve achievement data in this strand. Evidence of the success of the Spelling and Maths programs points to similar expected success with Grammar and Punctuation.

Sheep sale: Weekly sheep sales are keeping our roster humming. Thanks to all who are helping out.

Catering: We have a couple of Catering tasks coming up early in Term 4 so we need to get the info out now.

Seniors Day Lunch: Families of students in Years 9 and 10 are asked to look after the Seniors Day lunch at the Roxy complex on Thursday, October 8th. Numbers haven’t been confirmed yet, so the list may change once we have that information but not by much.

Probus Friendship Day: Visitors will be travelling in to Ouyen for this on Tuesday, October 13. Families of students in years P, 1, 2/7, 8/ and 12 can share the work for this lunch for 150 people. We need a couple of leaders for this day, too.

Year 12 luncheon: October 21st – Year 11 families. List will go out Week 1 of Term 4.

Congratulations:
*to all students who have competed at recent sporting events – great effort. Best wishes to those who now need to keep training for the Regional event in Bendigo;*
*to all who received awards at this week’s whole school assembly;*
♦ to staff and students involved in the school musical production. It takes a lot of dedication and time to bring such an event to performance. We look forward to seeing the show to kick start our last term.

During this term the Preps have been focusing their Literacy around two authors. The first half of the term was based around Mem Fox and the second half on Allison Lester.

This week we have read the book ‘Kissed by the Moon’. We followed the journey of the main character. We decided that together as a class we are currently on our own journey through Prep!

We traced our decorated hands to represent each one of us being different but undergoing the same journey!
