Principal's Report

Dear Parents and Friends,

Welcome back to a brand new year. As I walk around the classrooms it appears most of the students have grown over the Christmas break and have already begun to settle back into school routine.

Catering

Thank you to all the families who supported the catering on Wednesday. There were many compliments about the range and the quality of food eaten.

Professional learning

On Tuesday and Wednesday all staff were involved in professional learning at the school to ensure our teachers are informed of new research and educational trends emerging from the Department of Education. One of the main items we investigated was Student Voice and Agency. We had a presenter fly up from Melbourne, Haley Dureou. She was inspiring and helped all teachers define a goal around an area of research which will help build our Student Voice and Agency.

Coronavirus DET update

As you may be aware, the situation regarding the emerging outbreak of novel coronavirus has continued to evolve.

The Commonwealth's Chief Medical Officer and Victoria's Chief Health Officer have this afternoon recommended a stronger precautionary approach to managing coronavirus for travellers returned from Hubei province.

This recommendation is that parents/guardians/carers of students should ensure that any returning student is isolated at home and should not attend school for 14 days:

- following exposure to any confirmed novel coronavirus case; or
- after leaving Hubei Province.

The Chief Health Officer's current advice is that staff and students do not need to be isolated at home if they have recently travelled in other parts of China or other countries and are not showing any symptoms of the virus.

If you think a student or staff member is showing relevant symptoms, please ask the student's parents/guardians/carers or the staff member to call the Department of Health and Human Services (DHHS) to discuss further actions on 1300 651 160.

School Uniform Update

With the closing of our local supplier we have a replacement supplier. Totally Work Wear (TWW). Families can go directly to TWW in Mildura (70 Lime Avenue, Mildura Vic Ph: 03 5021 4697). We are currently purchasing sample sizes for a range of shirts and shorts for children to try on at school. We are waiting on these orders. We will notify families when they arrive so you can try them on at school. TWW will supply us with an order form that families can directly email or contact TWW to purchase . When the items are ready they will contact the families for pick up.
