Dear Parents and Friends

Welcome back to all our children and families. The staff and I were so happy to see all our children returning to school on Monday. So many smiling faces and laughter as children got to see and interact with friends in the school yard and classrooms. As I said last week it has been eleven weeks since we went into home and flexible learning and its thanks to the staff and also the children and families which have allowed us to have success. As we move forward over the next few weeks teachers checking in with how children have progressed academically and socially. One main aspect will be in sharing stories and adding additional wellbeing support for each grade.

### ***Playtime***

It's a bit different in the yard as children are not sipping from the bubble taps and are limited to very little direct contact. All children have available to sanitise hands before and after each break. It's hard for children to understand that a game of footy or netball now needs to be with no contact at all. I ask parents to help us build the children's understanding of social distancing at school and use the elbow for a hand shake or air high fives and we cannot bump or use our body for shielding when playing games.

### ***Cross Country***

We are holding our annual cross country at school this year but it will look different. Miss Manley and Mrs Lonergan have been able to organise the running of the event with social distancing and not assembling all the children together. Unfortunately no parents or friends can attend the event this year. We are working on ways we can broadcast parts of the event and how we will announce event winners on the day. Please stay tuned as we progress to keep this event going during difficult times.

### ***Junior School Assembly***

It was very exciting last week as we trialled our first virtual junior assembly with our children. We will run another trial this week and as we perfect the video will start sharing it for all to watch.

### ***Uniform***

As we restart back at school and it's now winter we have had several questions on uniform. Our uniform policy is on our website. Please note Totally Work Wear is able to supply most of our uniform and is able to supply items with our school logo on it. If parents use a different supplier they can as long as it meets the pictures which are on our website. After our uniform review we have been able to find suppliers for our hard to find items.

### ***School winter skirt***

Available from Dobson uniform supply (online only) [dobsons.com.au](http://dobsons.com.au) (Available on Monday) Cost \$89.00 + freight

### ***School Rugby Top***

Peerless are our supplier of Rugby tops for our 7-12 students to use during sport. We have attached an order form for parents to fill in and send payment to the office. When ordering from Peerless we need to have a minimum order of 50 rugby tops for them to accept the order. Orders close Thursday 25<sup>th</sup> of June. Cost \$71.50 inc GST

### ***School Dress***

Dobsons Uniforms are our new supplier for school dresses but we can only order in bulk through the school. We have attached an order form for parents to fill and send payment to the office by Thursday the 25<sup>th</sup> of June. When ordering from Peerless we need to have a minimum order of 20 dresses for them to accept the order. Approximate cost depending on size are \$52.50-\$60.50 please note this is a onetime price to help set up the supply of dresses. With future orders there will be an increase in price.

\*Please realise we are very mindful some families would not be expecting this added cost now, so soon after coming out of Covid -19 lockdown. Please contact the office if you would like support in purchasing rugby tops or school dresses.

# Primary Cross Country

Our Primary Cross Country event is looking a little different this year...

**Date:** Thursday 18th June 2020

**Time:** Starting at 12:15pm with the Foundation students, followed by the older Primary runners and finishing at the end of the day with our 12 years age group.

Unfortunately we are unable to have parents attend the event. We will be capturing the day as much as possible and uploading these images to our Facebook page and onto the student's Google Classrooms.

At this moment students won't be able to progress to the next stage however, we will be presenting our race champions with medallions and place getters with ribbons.

## Parents and Friends – Sheep Sale

**Centenary** At the outset of 2020, quiet plans were formulating to commemorate the Centenary of a very special part of our local fabric and history. 2020 marks 100 years since Mrs. Maude Garner first took the short walk from her home on Fuller Street to the Ouyen Saleyards on Farrell Street [Queen Bee site], and set up to serve afternoon tea to the farmers and workers attending the sale. This began a ritual she maintained for around 50 years, raising funds for various local charities – including the hospital and schools.

Eventually, serving afternoon tea at sheep sales became the task of the Ouyen Primary and High Schools' Mothers' Club. Although it is now morning tea, served from a sturdy, freshly-renovated, kiosk, Parents and Friends have dutifully carried on Maude's legacy for a similar amount of time, bringing us to the admirable 100 years in 2020.

It is an honour and a privilege for the school community to continue this service, raising funds for Ouyen P- 12 College programs and projects, while maintaining vital community links, and supporting a key pillar of our community's economy.

We salute the generosity and care of the indomitable Mrs. Maude Garner, a true local hero, whose foresight benefitted her community immensely over the past 100 years, and continues to do so, even in COVID-19 times.

Thank you, Maude.
