**Athletics**

We are still planning on running our House Athletics Competition for both Primary & Secondary students. These will take place on Thursday October 29<sup>th</sup> (Primary) and Friday October 30<sup>th</sup> (Secondary). Unfortunately, at this stage parents will not be allowed to attend this event. We will do our best to keep everyone updated via our social media pages, and to collect as many photos and videos as possible.

**Public Holiday Friday**

With the AFL Grand Final holiday still running this year, it means that we will have a public holiday next **Friday October 23<sup>rd</sup>**.

**Meetings with school staff**

We have had some requests for meetings in person with parents for many of our staff. Due to current regulations, we are only allowed essential personnel on-site, so any parent meetings should be done by phone or Webex.

**Presentation Night/P-4 Concert**

We are currently monitoring advice regarding large gatherings before making a final decision on how we will run these events. We plan on having them in some form, but will advise parents closer to the date.

**New Staff in 2021**

We would like to welcome the successful applicants for our two advertised teaching positions for next year. Miss Chloe Corbett will be joining our Primary Team after working with us through most of this year as a relief teacher. We would also like to welcome Mr Brad Parsons, who will be teaching Phys Ed and English in 2021. Brad is currently finishing his studies in Ballarat and is excited to join our school team and the wider community.

Thanks,
