

## Welcome to Term 4

It has been fantastic to have students from Foundation-Year 6 back on site over the last couple of days and we look forward to welcoming the rest of our students back on Monday. While school looks a little bit different with masks and social distancing, I am sure it will feel like it has returned to normal once we are all back on site.

## Parent Pick-up/Drop-off

A reminder for parents picking up and dropping off students at school that they should remain in their car where possible. If you do need to help students to the school gate, please ensure that you have masks on and are social distancing from other parents.

## School Photos

Unfortunately, due to government regulations, we have had to re-schedule our photos. We will wait for further guidance, and schedule a date as soon as we are allowed. Should our photos be cancelled, refunds will be available for those that have paid.

## BYOD

Please keep an eye out for our new *Bring Your Own Device Policy* that will be sent out in the coming weeks. This policy will provide the opportunity for students in Year 9-12 in 2021 to bring their own laptop to school, provided it meets specifications (which will be made available in the policy). Students below these year levels will continue with current arrangements for next year.

## Transition

Our Foundation Flying Start program is scheduled to start on Friday November 6. More information will be made available for parents of students looking to start at Ouyen P-12 College in 2021.

Our Year 6-7 transition program will continue to run for our current Year 6 students, although we will have to wait for further restrictions to lift before our Underbool and Tempy P.S students can join us.

## Canteen

Our school canteen will be open for **lunch orders only** on Wednesdays, Thursdays and Fridays.

## Uniform

A reminder that our new uniform policy starts from Term 1 next year. A copy of the policy is available on the school website. We hope that having this year as a transition step into our new policy has given families time to understand and organise uniforms for next year. If you are finding this challenging, please contact me at school and we will do our best to support you.

Thanks,

*Fel Cua*

*Acting Principal*

# TENNIS IS BACK!

## **Calling on all junior tennis players for the 2020/21 season!**

**If you are keen to play this year and haven't  
already registered with the club, please contact:  
Bec Vallance - 0408232961**

**This Friday, 9th October we are having a practice  
hit down at the lawn courts to get back into the  
groove and determine a structure for the comp.**

**Please come along if you are interested in  
playing this year. We would like to start the  
junior comp on the 16th October.**

*Please note: All necessary COVID restriction/procedures will be in place. This includes wearing face masks while not on the court and spectators are not yet allowed at this stage. Further details will be posted and updated on the Ouyen Tennis Facebook page.*
