Principal's Report

Parent & Community Values Session

Thank you to those who attended the values session on Wednesday night. We had some fantastic discussions and made a strong contribution to the overall values of the college. Our students, staff, parents and community have now all had a say, which will give our leadership team a great opportunity to combine these thoughts and put forward a proposal for our values moving forward.

Education Week Event

We will be hosting an event to celebrate the week on Monday, May 24th, from 4.30pm – 6.30pm on the lawn at school. Education Week takes place in the week starting May 23 and the theme will be 'Building Connections', which links greatly with what we are trying to do between our school and the wider community.

NAPLAN

Our students completed their NAPLAN test this week and must be congratulated on the willingness to do their best, which is all we can ask of them.

Uniform Update

We have recently made a bulk order with Totally Workwear and will be opening a pop-up uniform store at the end of the term, with all items in line with our new uniform policy. If you do have any questions about the new uniform policy (which is available on the website), please contact the school. We are developing some materials to help make it clearer about what is acceptable uniform which we are hoping to make available after our Education Week Celebration.

School Driveways

In the last few weeks we have seen instances of students entering school via the staff driveway off Ritchie St. With cars entering and leaving at that time, we ask that students enter and leave via the top gate (in the P-4 area), or through the Fuller St and Matheson St exits.

Footy Tipping Update

A friendly reminder to staff and students in Year 10-12 that despite Richmond's patchy form, I am still leading the footy tipping.

Have a fantastic weekend,

Ouyen P-12 College Sustainability Committee is collecting plastic lids and bread tags for charity. These bits of plastic can help make prosthetic limbs and wheel chairs for the people who need it most. If you have any plastic lids and bread tags the collection point for the bread tags and plastic lids is in the year 11 area in the senior building. Or can be dropped into the office.

Thank you for your support.

Ouyen P- 12 College Council

College Council will meet next week with a fairly full agenda. We will welcome a new Council member – our council is almost complete.

With confirmation of school enrolments and DET funding, it is time to review and adjust the 2021 school budget, and refine programs to support student learning. The school community has been working on developing a new set of values. Council will spend time reflecting on these. There are contracts to look at, building and ground works to consider, and events to approve, among other business.

Thank you to all who were able to attend the Parent/ Community session around a new set of values. The group covered a range of backgrounds, experience, and ideas. This all contributed to very worthwhile interactions and discussions. I anticipate School Council will bring further worthwhile collaboration.

#Mobile_Muster

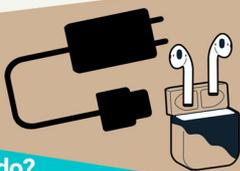

do you have an unused mobile?

recycle your old mobile today!

What is the Mobile Muster?

It is a way to collect old mobile phones and accessories to recycle them.

What do I do?

1. Collect any old mobile phones, smart watches, chargers and accessories you have lying around.
2. Place your items in the mobile muster box near the staffroom door next to the patch produce stand and fridge.
3. We will send the box away for recycling and the school can be rewarded with prizes the more we collect.

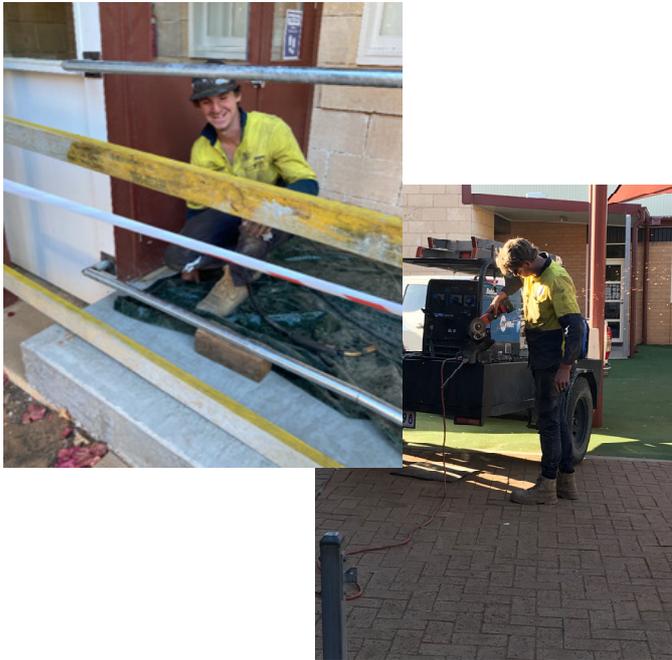

Where can I find out more information

Return of Ouyen P-12 Inter-School Sports Polo Shirts

We had a school supply of Ouyen P-12 College Interschool Sports Polo shirts which have numbers written in permanent marker on the lower back hem. These were lent to students for events, but many have not been returned to the school. We have had to ask students to return these shirts after they are wearing them for school sport and PE lessons. Some have also been donated to Vinnies, when they are in fact school property. We would appreciate the return of these shirts, as well as any SPORTS singlets that are still in student's possession. I have also lent my personal rugby tops to students who did not have one to wear at sporting events. It is very disappointing that many of these have not been returned to me. They have 'LONERGAN' on the labels.
