Principal's Report

Welcome Back

It has been a pleasure to welcome back students in Year F-3, 11 & 12 in the first week of term. I'm also very eager to see the return of the remainder of students next week. While I know it isn't the return we'd hoped for with everyone back on site, it does provide a great opportunity for all students to re-connect with their teachers and each other.

We have made a few minor adjustments to the timetables of students in Year 5, 6, 8, 9 & 10, which will allow them all to experience a wide range of subjects on the days they are at school. Part of this will be ensuring all students in these year levels have some Phys Ed and Tech.

It is critical that all students return to school on their allotted days, to get the most out of their learning. We will be making follow-up phone calls for students who don't attend, so please let the office know beforehand if you know of any absences.

Pupil Free Days

We had scheduled a pupil free day for **Monday, November 1st (day before Melbourne Cup)**, but with the arrangements for our return to school being delayed, I think it is best to have the students on-site for that day.

The work we had organised for staff is still very important, so we will look to move the day until later in the term when a few more year levels have finished. I appreciate the flexibility of parents, staff and students as we change plans on the fly.

Our pupil free day on **Friday, December 17th (last day of scheduled school)** will still go ahead as scheduled at this stage.

Uniform

We do have most of our uniform items available at school for purchase. Please contact the office for all of your uniform questions and we will do our best to help.

We do have a store of donated uniforms for students to access, and we are always very grateful for any families that can donate items that are no longer needed.

School Photos

School photos are not permitted at this time, and we will do our best to reschedule our photos to later in the year. I will let our school community know when I have more information.
